Kannur University, Kerala

Bachelour Of Computer Application   **2020 - 2023**
Govt College Thalassery, Chokli
Kannur University, Kannur, Kerala
CGPA : 82.36

PROJECTS

Rental Products and Auto Booking Application

- Developed a platform to connect users with rental product owners, tailored for students, teachers, and staff at Government College Thalasseri.
- Facilitated the rental of various day-to-day products, such as furniture, books, and electronics, for flexible durations ranging from one hour to one month.
- Integrated user registration and account management features, allowing users to easily create, edit, or delete their rental requests.
- Implemented an auto ride booking module, streamlining the process for users while reducing wait times and enhancing travel convenience.
- Designed a comprehensive administrative interface for database management, ensuring smooth operation and oversight of product listings and user interactions.
