Master Of Computer Application
Mangattuparamba Campus, Kannur
Kannur University, Kerala

2023 - Present

Bachelour Of Computer Application
Govt College Thalassery, Chokli Kannur
University, Kannur, Kerala
CGPA : 81.13

2020 - 2023

PROJECTS

ClassMeet   **Nov 2024 - Jan 2025**

Developed an ML-driven Classroom Management app enhancing teacher-student interactions via video conferencing, automated attendance, and resource sharing. Integrated ML Kit for face detection and MobileFaceNet.tflite for secure, accurate attendance tracking. Leveraged Firestore for real-time data and Cloudinary for efficient material management. Built with Android Studio (Java & XML), optimizing remote learning through automation, engagement, and seamless communication.

MyPet   **Dec 2022 - Mar 2023**

Developed MYPET, an Android app assisting new pet owners with adoption, breeding, and expert guidance. Implemented a recommendation system for breeding partners and affordable pet adoptions. Integrated e-commerce for pet food, accessories, and toys. Provided access to professional trainers for better pet care. Designed a secure, user-friendly interface, streamlining adoption, training, and pet management.
